TABER 2023 COMMUNITY INITIATIVE

About North & Company Community Initiative

North & Company LLP Law Offices takes pride in the communities we practice in, and our long history of contributing to charities and non-profits in our branch office communities continues with our 2023 Community Initiative. Building off our previous years of this initiative, we seek to partner with one local charity to be a significant supporter and assist that charity in reaching a specific goal. We are excited to hear about your charity, not-for-profit, or other charitable foundation and your particular fundraising event or goal in 2023.

What We Need from You

Please forward your information, including your organization's name, contact information, objectives and purposes, and what event or goal you seek to support in 2023.

Funding Areas

All organizations applying for a grant must be in the following communities:

- Taber, MD of Taber and the surrounding area
